There church has been postponed until further notice. should be some special law in regard to dogs. Good dogs as watchers, are valuable, but worthless curs Nails, all sizes, Cut and Wrought, mare numerous, and should be exterminated.

The trustees of Fort Street Church have in ontemplation an addition to the church edifice, for the purpose of accommodating the organ and choir The addition will be on the end towards Nuuanu on the building is to be finished about the twelfth of December, and the organ in its place ready for use

ANOTHER HAWAIIAN WHALER .- The Oldenberg bark Julian has been purchased by C. L. Richards pay the expense of the Embassy now on its way to & Co., as she lays after discharging her past season's Washington. Possibly no complaint could be made if the new rule were published, and the cause for its encarch, for nine thousand dollars. The Julian will be forcement made public. Yours, ommanded by Capt. John Heppingstone, late master Honolulu, November 27th, 1868. of the bark Hae Hawaii. We wish the enterprising purchasers the best of luck, and hope that others who have capital at their command will follow their

hull down in the distance. To-day is the Anniversary of the Recognition

PRICTICAL JOKISO .- We heard of a practical joke the other day, which was carried about as far, if not farther, than jokes should be carried. Some funloving officers of whaleships got hold of the gentleman of color, styled Commodore Perry in the whaling fleet, and proceeded to enjoy themselves, at the Com-

modore's expense. The first step was to give the THE OKOLEHAO TRIALS.—We last week stated that scolored individual a fair opportunity to imbibe as the two cases for seiling liquer to natives, by parties much of the ardent as he saw fit, knowing well that on the other side of the island, had been heard before the would not stop short of insensibility. As soon as the Circuit Judge, on appeal, and that one party had convenient the Commodore was stripped of his regi-MADE FOR THE BARK CANTON PACKET, suffered the penalty of the law, and one escaped, mentals; a coffin having been procured, the insensi-Touching the case of the party that escaped, there is able body was placed in it, and several battens placed a little story which remains untold. Four natives across the top. A subscription was taken up and the TWO BOATS, SUITABLE FOR COAST. gave positive testimony of having obtained the liquor amount put in a handkerchief and tied around his ERS. For sale by [651 1m] C. BREWER & CO. From the defendant drank it and poid for it. A characteristic for the liquor amount put in a handkerchief and tied around his cross examination did not shake the testimony a body. The coffin was now deposited on the verandah ONE \$ 1-2 IN. MANILA HAWSER-70 whit, and the case seemed hopeless, when lo, the de-yof a well-known drinking saloon, near the door which fense put a witness on the stand who said that he was the proprietor would first open in the morning. At in a position where he could have seen the parties if the crack of day the said door was opened, the noise they had visited the house where the liquor was said of which brought the Commodore to his senses, and to have been obtained, and that he remained in the the scene which presented itself to the proprietor was said position in an open yard all day. This testimony one which startled him for the nonce. The ridicuwas backed up by another witness, who had also been blous plight of the naked Commodore, struggling to be where he could have seen the purchase of the liquor, freed from his narrow quarters, caused him to laugh but that he had not seen it. The cross examination aloud. As soon as the imprisoned darkey got to his of the last witness elicited the fact that he might have feet he felt for his clothes, consisting of the aforesaid been absent at intervals from a half to a whole hour, "handkerchief; feeling the coin, a significant "umph" still he too had not seen the parties obtain drink or could have been heard and the no wise discomfited pay for liquor. On the strength of the testimony of Commodore made tracks for a cover. When the

According to the same corresponden 'All Brazil was nothing to what he had seen o natural beauty and scientific revelation already i The Emperor of Russia has declined to ratif e treaty concluded by his Generals in Turkista with the Emir of Bokhara. This, taken in conne on with the late news of the Emir's death, look inous. If the Russians mean to insist on push ng their advantages further in Central Asia, the

cannot have a better chance than now, when the supreme power has fallen into the hands of a boy The following bon mot of the Emperor is recordd: The Prince Imperial was distributing to som or on the road part of the two hundred francs his father had given him for this purpose, when the ortege passed a placard which was inscribed the otice, "Mendicity is forbidden in the whole de-artment of the Basses Pyrenees." One of the ides-de-camp pointed it out, remarking to the rince that he was infringing upon a prefectional lecree. "Mendicity." replied the Emperor, "is

forbidden, but charity is enjoined.' STABILITY OF THINGS IN ENGLAND.—In one of his ectures, Mr. Emerson tells a story to exemplify be stability of things in England. He says that Villiam Wykeham, about the year 1050, endowed house in the neighborhood of Winchester, to pro vide a measure of beer and a sufficiency of bread to every one who asked it, forever; and when Mr. merson was in England, he was curious to test hat man's credit; and he knocked at the door. preferred his request, and received his measure eer and quantum of bread, though the owner had

een dead 800 years! TALL CHIMNEY. - The tallest chimney in the orid is said to be that at the Port Dundas works. lasgow. Scotland. Its height from the foundaon is 468 feet; above the ground 454 feet, the undation being 14 feet deep; the outside diameer, on a level with the ground, is 34 feet, at the op, 12 feet 4 inches. The most wonderful part of he story of this lofty chimney is that, having bee twisted out of the vertical line to the extent of 7 eet 9 inches, by a violent wind, before the mortal was hardened, human skill has reduced it to perfect perpendicular again. The mortar was sawed nt on the windward side, so as to allow the chimney to settle sufficiently to restore the perpendicu

A late number of All the Year Round contains n announcement from Mr. Dickens, that on the ompletion of the present volume he will comnence an entirely new series. As to his colpagues, Mr. Dickens remarks that they will connue to be his associates in the new enterprise in company with those younger comrades whom have had the pleasure of enrolling from time to me, and whose number it is always one of my Soleasantest editorial duties to enlarge." The exira Christmas number is to be abolished, because Cases 4-4 Bleached Cottons, "Namasko,," it has been "so extensively and regularly, and often imitated that it is in danger of becomin THE FRENCH ATLANTIC CABLE.—The manufacture

the new trans-Atlantic submarine telegraph cale for the French company (Societe du Cable Trans-Atlantique Français, Limited) was accordig to the contract with the Telegraph Construcon and Maintenance Company, Limited, comlity-road, yesterday. It is understood to be intended to submerge the cable next Summer, be Bales "Amoskeag" Brown Drilling, tween Brest and the United States, via the Island.

Rosendale Cement, ipped at the contractors' Greenwich works. where the process of putting on the outer covering for sheathing is carried on.—London News, Sept. 15 LORD BROUGHAM .- Whilst alluding in a forme number of this Magazine to the physical vigor of

cacy from making any reference to his mental ailings. There can now be no barm, however, in The 2d of December, 1851, is doomed never to entioning that, for the year before his death his Dried Apples, Cheese, Corn Starch, clordship's mental faculties were gradually decayging. More than once he had to be restrained by ome imaginary engagement or make speech in ome imaginary debate. He had lost his distinction of time and place. Occasionally those by whom he was surrounded indulged him in hi singular fancies. For instance, just before his final and Cases Summer Savory, in glass, departure from London for the continent, he got into his carriage and, believing himself in Paris. ordered his coachman to drive to the mansion of M. Thiers. Away started the carriage; the noble The Road Supervisor has commenced operations.—He was coldly received, and young Cavalgnac, on the Nuuanu Road. The grass and dirt have been and one of them more enthusiastic than the rest was expelled—many arrests followed. The event was expelled—many arrests followed. The event knobs, which have been the terror of fast drivers, at all events exhibits a certain sympathy with the having forgotten his own orders just as completely have been pounded down. We understand that it is Copposition and the Republicans. It is added that his intention to give the road a covering with the sounded with the cries of "Vive Rochefort." Vive Rochefort." Vive Rochefort." Vive Rochefort." Vive Rochefort." Vive Rochefort. The sum of the pounds.—Lippincolt's Magazine, for also took place.

runnent will not interfere in Spain, but wait the levelopment of affairs there and respect the decision of the Spanish people. Managatean.- It appears from letters recently

received from missionaries of the London Society hat the work of the mission is being blessed in a smarvellous manner. Since the cessation of the mourning for Me late Queen, the places of Chris-Ethat worship, both in town and country, have been crowded to excess. Such is the wonderful eagerness to bear the Word of God, that on the Sanday Seprevious to the departure of the last mail 2.450 persons were counted out at Mr. Toy's church. while 230 were waiting outside during the service. At another place, on the same day, the whole of the usual congregation turned out to make room for Pugilism is at a discount in England. The gov—the crowd of people outside, that as leathens they hey should all hear "the joyful sornd." Queen and Government have publicly renounced idol-atry; the great national idel has been sent away, and the Queen sends her household to attend Mr. Toy's ministry. The Government works have been stopped on the Lord's-day, and a representative of hunted with bloodhounds and when caught were a foreign power on his way to the capital to obisin a ratification of a commercial treaty, having reach-A dispatch was received in Boston, the other led the last station on a Saturday night, instead of finding the usual escort, was informed that be could not be received at Court until Monday. The eldest Parliament, because he was of infirm body and son of the Prime Minister, together with the Prime Parliament, because he was of infirm body and Minister's sister, are candidates for Church fellow son of the Prime Minister, together with the Prime

The Passage of the Dardanelles by the U.S. England doesn't know what to do with King cial correspondence between Morris, our Minister resident of Constantinople, and the Turkish Minbecodore's son, now that she has got him. She resident of Constantiaone, and the last special Franklin would be excluded, owing to her size and German papers say that Mrs. Lincoln purposes armament, but urges that exceptions have been made from time to time in favor of ships having imited income will enable her to live there in bet-gon board a Prince of Imperial or royal blood.

"Hereditary dignities do not exist in the United States. If those exceptions were exclusively limages of the Republic of the United States would not be able to profit by the same exception, and the consequence would be to render extremely Spanish galleons which the Dutch and English fleets exceptional their position with the Porta. Admiral Farragut is the officer of the highest ank in the American navy, and the most distinguished. His war feats greatly contributed to the salvation of his country, and the conservation

> fame has become cosmopolitan, and he has been received in all the Courts of Europe with princely onors. The sovereigns have granted to him a reception hors ligne, considering the facts of his story rather more than his blood. The Minister of Foreign Affairs promptly replies that as the case was urged as an exceptional one, and as the Sultan desired "to give proof of his republic," the permission would be granted. An order was accordingly issued to the authorities at he Dardanelles to that effect. The order says: "The dimensions of that ship-of-war are, it is true, beyond the limitations stipulated in the treaty of Paris, but his Imperial Majesty the Sultan, wish-

granted, in a way entirely exceptional the permis-sion sought for." Bartaps. BURLAP BAGS-SUPERIOR QUALITY For sale by (649 2m) C. BREWER & CO.
